

The logo for Radio 22 FM is set against a bright orange, rounded rectangular background with a small triangular point at the bottom center, resembling a speech bubble. The number '22' is rendered in a large, white, stylized font. The first '2' has a thick, rounded top and a diagonal stroke that tapers to a point. The second '2' is similar but slightly smaller and positioned to the right. Below the '22', the letters 'FM' are written in a white, bold, sans-serif font.
